EMPERORS PALACE

THE PALACE OF DREAMS

Emperors Palace welcomes Nataniël's latest show *fACTORY*

The illustrious Nataniël presents his latest stage production; *fACTORY*, exclusively at Emperors Palace, taking place from 21 February – 31 March 2013.

The performance is not about factories and does not take place in a factory. It is a journey of fantasy, fun, humour and hope that is inspired by the greatest act of all...Life. *fACTORY* promises to intrigue your imagination and leave you with a question that is open to interpretation...Do we come into this world incomplete, or are we incomplete because of this world?

Nataniël adds, "The greatest struggles and conflicts known happen because people are physically, emotionally, mentally, romantically or financially incomplete. The lack of love or skills and the quest for wholeness create the world we live in today".

The show includes all-original music ranging from pop, rock and soul to old-world torch songs and jazz, and also includes a collection of wild and creative new stories written and presented in the much loved "Nataniël" style.

See Nataniël perform in the Theatre of Marcellus with gymnast Brad Dreyer, singers Lindiwe Bungane, Tonia Selley and Nicolaas Swart, joined by Charl du Plessis (keyboards), Juan Oosthuizen (guitar), Werner Spies (bass) and Hugo Radyn (drums,) and of course the amazing costumes by Floris Louw. Be spell-bound with a set and costumes that are inspired by the art and architecture of the different eras.

fACTORY opens doors to the public on 21 February until 31 March 2013, Wednesday to Saturday's at 20h30, and Sundays at 15h00. This show is ideal for the light-hearted, but no children under 15.
