THE PALACE OF DREAMS

Emperors Palace spins into the spotlight with 132 new slot machines

Emperors Palace, the Vegas of Africa, continues to be the frontrunner of gaming with the recent addition of 132 new slot machines. The assortment of video, traditional reel and roulette machines; ranging from 2c to R25 machines has once again positioned Emperors Palace as the entertainment capital of Gauteng.

The enduring popularity of an old favourite, 3 reel Universal machines, have been refaced and encased in new cabinets the G-enex Innovator 3 Reel as gaming enthusiasts seek a more traditional feel from the popular machines.

“We trust that our exciting gaming promotions, the recent addition of Bally technology and the new slot machines will not only add to Emperors Palace’s world-class standards, but will also increase customer satisfaction,” comments Emperors Palace Slots Manager, Bethuel Ledwaba. Bally benefits include a single card system that allows players to choose the games they want to play and when they want to play them without having to wait in long lines for top-ups. This means increased game play, time-on-device, and an over-all increase in customer satisfaction.

Ledwaba adds that the main casino floor now includes machines ranging from 2c to 50c, whilst the Emperors Slots Club Privé sees the addition of new 50c machines. For those seeking to dabble in the Palace Court Privé, the resort now offers new R10 and R25 gaming features.
